By Camilla Burkot
13 January 2017

With over 1,620 blogs and 550 in briefs published since 2010, we're proud of the Devpolicy Blog's record as a platform for the best in aid and development analysis, research and policy comment for Australia and the Pacific. In the interest of making sure that the Devpolicy Blog continues to deliver high quality and relevant content, we're running a reader poll. You can find it embedded below or online [here](#). The poll is completely anonymous and should take no more than 5 minutes to fill out. We look forward to receiving your feedback on the blog and how we can improve!

Please note this poll is now closed. It ran from 13 January to 31 January 2017.
